

THE REWILDLING SCHOOL WILD SUMMER

Marsh Sanctuary: Mount Kisco

Hunter Gatherers:

Live off the land the way our ancestors did! Gather food and medicine from the forest. Catch fish from the water and learn to build survival traps without harming any animals. Cook meals over an open fire, and build whatever you need from what you find in the woods. (Grades 1-6)

July 3-7 & August 7-11

Stone Age Tinkerers:

Become a stone-age engineer! Our ancestors built everything they needed from what they found around them. In this program, you will use unique materials found on your nature adventure to build shelters, stone tools, baskets, and campfires! (Grades 1-6)

July 10-14

Enchanted Forest:

Step into a world of magic and mysticism! Our Enchanted Forest is filled with fantastic beasts, potions galore, and epic quests that are sure to excite your young adventurer. Expect to learn about local plants and animals while honing your magical abilities and curiosity. (Grades 1-2)

July 18-22 & August 14-18

THE REWILDLING SCHOOL WILD SUMMER

Marsh Sanctuary: Mount Kisco

Forest Alchemy:

Dive deep into the power of plants. Use campfires to craft healing salves, teas, bug repellants and tinctures from plants you forage. Craft baskets, bags, and clay pots to create your own mobile apothecary. Perfect for kids who have advanced beyond mud pies and fairy houses and are looking to connect deeper with the secrets of the natural world. (Grades 3-6)

July 25-26

Forest Craft:

The popular video game pops out of screen and comes alive for a week in the woods. Build buildings and forts, craft tools and armor and survive the elements and the horde.

(Grades 1-6)

July 24-28
